Chuck Hanks Report

I can't thank Parkside and the Senior Adults enough for your prayers and support. It means so much to us and the work that we do.

You know I'm trying to learn Spanish, and I've found that a good way to do that is with music. When you learn a new language, the words are new to you, and fresh. One song I'm learning is "Glorioso redentor y rey, te adoramos." In English, it is "Glorious redeemer and king, we adore you." But when we look at the word, it has less of a meaning like Burger King and King of England, and "we adore you...we adore our kids..." I hope you are understanding what I'm trying to say.

When I say, or sing, Glorioso redentor y rey, te adoramos, there is only one REY, only one that I ADORAMOS. I'm not sure how to explain it, but it is cool.

I'm sure as I learn more Spanish it will change, but I hope not. Words have meaning and sometimes we lose the real meaning of the word. For example: DIOS is the word for God. "Tu eres el Dios que adoramos" means You are the God we worship.

Your friend, Chuck and the HFamily

Help Needed!!!

Parkside Library

The bulletin board outside the library is in desperate need of your, you the readers, help. Most of us have a favorite book or author. What I need for you to do is simple. First, take a leaf from the basket pictured on the top left of the bookcase and clearly print the name of your favorite book or author on one side with your name on the back side. Next, take your leaf or leaves and place them on the desk in the library. I will happily decorate the rest of the bulletin board with your leaves.

I thank you in advance for helping out.

Until next time...

Happy reading!

Librarian

FAMILY EVENT | ALCOHOL NOT PERMITTED | SOCIAL DISTANCING EXPECTED

Dear Bro. Jerry, all those who attended the funeral, all those who did tributes for my Dad, all those who sent cards and letters and texts, for all those who gave prayers and support for our family, and to all the Parkside Baptist Church family.

The family of Don Schmidt, beloved husband and father, grandfather and great grandfather, wish to convey our sincere thanks for your kind expressions of thoughtfulness. It is deeply appreciated and will always be remembered by the Schmidt family. You have truly touched our hearts.

The family of Parkside has been a great part of the lives of Donald and Martha, and our family. My Mom and Dad were so proud to be a part of your church family for over forty years. Our family joined Mom and Dad at Parkside for special occasions throughout the years. We have met so many loving and caring members of Parkside. You all show Christ's love to us and all those whose lives you touch, and show your true devotion to our Lord. Thank all of you for all the love and support to our family through cards and letters, coming to Dad's funeral, and for all of your prayers.

Pottsboro, Texas

POTTSBORO, Texas is on Farm Road 120 eight miles northwest of Sherman, and four miles west of Denison, in north central Grayson County. It was established in 1876 by James A. Potts, a pioneer settler who donated land for a town and a right-of-way so that the Missouri, Kansas and Texas would extend its tracks westward from Denison to his settlement. The community, no doubt aided by its status as a stop on the railroad, grew rapidly for the rest of the 1800s. It incorporated in 1880, and by 1885 its population had reached 200 and it supported a cotton gin, several gristmills, and a number of churches. A post office opened there in 1891. The population reached 454 in 1920 and 500 in 1925. By that time the community was served by some twenty-five businesses, including a bank, and by two schools with a combined enrollment of 300 students.

Pottsboro declined to a population of 358 by 1936 and 312 by the mid-1940s. It then grew to 383 by 1957. The number of businesses had fallen to twelve by 1948, though by the late 1950s it was back up to more than twenty. The town began to grow again during the 1950s, perhaps spurred by the rapid expansion of nearby Denison. By 1967 Pottsboro reported thirty businesses and a population of 750, and by 1990 its population was 1,177. The population grew to 1,579 in 2000.

Ephesians 6:21-24 2 Timothy 2:3, 4

**There's a discipline in a soldier. You can see it when he walks.
There is honor in a soldier; you hear it when he talks.
There is courage in a soldier; you can see it in his eyes.
There is loyalty in a soldier that he will not compromise.
There is something in a soldier that makes him stand apart.
There is strength in a soldier that beats from his heart.**

**A soldier isn't a title any man can be hired to do.
A soldier is the soul of that man buried deep inside of you.
A soldier's job isn't finished after an 8-hour day or a 40-hour week.
A soldier is always a soldier, even when he sleeps.
A soldier serves his country first, and his life is left behind.
A soldier has to sacrifice what comes first in a civilian's mind.**

**If you are a civilian, I am saying this to you...
Next time you see a soldier, remember what they do.
A soldier is the reason our land is "Home of the Free."
A soldier is the one that is brave, protecting you and me.**

**If you are a soldier, I am saying this to you...
Thank God for every soldier! Thank God for what you do!**
